

Dear guests

Thank you for staying with us. Here is a small list of what we kindly ask you to do before you leave. A little trouble for you, a big help for us.

- Please ventilate the bedding and put it in its place. Please make the bed
- Please vacuum floors and carpets. Note. Also from the bathroom
- Wash dishes or put them in the washing machine
- Please wipe the table tops, sink and refrigerator (also from inside)
- Please clean the toilet and sink - put the trash in the trash can
- Empty bottles and cans in a plastic bag and put the bag out on the terrace
- Please also make sure that the terrace and the hut (if you have used it) are in a clean condition after use.

If you don't want to clean yourself, you can always buy final cleaning from us at a low price for 50€ / cottage.

Thank you for visiting and welcome again!
